Tel. no. 01329 280887
Fax. 01329 513668

Welcome to Gudgeheath Lane Surgery

Thank you for requesting to join the Practice list.

Please complete all the forms contained in this registration pack and return them to the surgery in person. You can return them at the following times each day: Between 11am and 1pm and then in the afternoon after 3pm.

You will be asked to produce appropriate ID. This consists of one item of photographic ID and one with evidence of your current address from the list below. We cannot process your registration without this.

A

Passport
Photographic Driving License

Or if you do not have one of the above:

Uk birth certificate
National Insurance Card
Marriage certificate
Visa

B

Utility bill – dated within the last 6M
Bank statement – dated within the last 6 months
Letter form benefits agency/benefit book/signing on card
P45

At this point, as part of our registration process, the forms will be checked for completeness and you need to book a Health Check appointment with our Nurse or Health Care Assistant. This is an important appointment as until you have completed all of the above process we are unable to complete your registration at the surgery.

If you are changing from a local surgery, ie a surgery in Fareham, Portsmouth or Southampton: Please attend your current surgery if you require an appointment (or repeat medication) for routine or urgent care before your new patient health check appointment with us.

If you are moving to our area you can be seen as a temporary patient for URGENT care but will need to book routine appointments after your registration is complete.

These guidelines have been approved by the Department of Health, whereby a GP can ask for proof of identification and other documents.
